ABOUT JLD SHOW HOUSE

Every other year the Junior League of Detroit hand-selects a prominent local estate and curates a phenomenal team of local and national interior designers to transform the home into a Designers' Show House. To date, the fundraiser has raised nearly \$5 million in support of community programs.

Proceeds from the 2020 Designers' Show House will support the JLD's local philanthropic efforts, including our key community impact initiative 'Project EAT' which helps create a more food secure community by providing Education, Access, and Tools to those in need.
