JUNIOR LEAGUE OF DETROIT

COMMUNITY ASSISTANCE GRANT APPLICATION

Thank you for your recent inquiry concerning the Community Assistance Grants provided by the Junior League of Detroit (“JLD”). Community Assistance Grants support the Junior League of Detroit’s efforts to participate in community-based collaborative partnerships that work to broaden the educational, cultural, recreational, and health opportunities for children living in the county of Wayne and promote volunteerism.

The JLD works to broaden awareness around food insecurity affecting the children living in Wayne and Macomb County. Within food insecurity, we are interested in programs that provide education, nutrition and accessibility. Enclosed you will find an application for a Community Grant. Please review the following guidelines before returning the application to the Junior League of Detroit.

Funding Guidelines

Funding is based on a quarterly cycle with the following deadlines: **October 1, January 1, and March 1. You will be notified in writing of a decision in approximately 8 weeks from submission deadlines as each grant award requires the approval of the Board of Directors.**

The Community Assistance Grant Committee will:

- Only review completed applications with the appropriate supporting documentation (See attached checklist);
- Limit applications to organizations having an office(s) in Wayne County and providing service within Wayne County, or applicants having 75% of their clients residing in Wayne County whose goals are to improve the health and food insecurity of the clients of the organization.
- Only consider applicant organizations that are exempt from taxes under section 501(c)(3) of the Internal Revenue Code or have an umbrella status with an agency that has received such a determination;
- Only consider applicants that provide a detailed explanation for (1) the specific program for which funds are being requested and (2) an itemized budget breakdown for the line item(s) for which JLD funds are being requested;
- Only consider applicants that provide a CPA prepared financial statement for the prior fiscal year, or if one is not available, an organization prepared financial statement for the prior fiscal year; and
- Give preference to new projects.

The Community Assistance Grant Committee will not:

- Consider requests from individuals;
- Fund organizations more than once every twenty-four months from receipt of funds; and
- Fund general operations, salaries, stipends and transportation or capital improvements.

Amount: The typical grant range is from \$500 to 5,000.

Criteria for Evaluation:

- Demonstration of need
- Clearly describes goals, outcomes and objectives of the project
- Realistic project budget with reasonable costs for providing services
- Clearly describes funding request
- Evaluation process in place for measuring impact of project
- Demonstration of other financial or in-kind support for project

Grant Process:

Upon receiving your application, the JLD will send you an email confirming receipt of your application. All completed applications that fall within the funding guidelines will be reviewed by the Community Assistance Grants Committee shortly after the deadline date. The JLD Board of Directors determines which grants will be approved based upon the Committee's recommendations. Please do not call the JLD Office regarding the status of submitted grant applications. You should hear from the Community Assistance Grants Committee approximately 8 weeks after the submission deadline.
