Every other year the Junior League of Detroit hand-selects a prime local estate and curates a phenomenal team of local and national interior designers to transform the home into a Designers' Show House. This will be the Junior League of Detroit's 24th Designers' Show House. To date, the fundraiser has raised nearly \$5 million in support of local philanthropic efforts.

The House on the Hill is a 5,985-square-foot home perched on half an acre overlooking the beautiful Lake St. Clair and featuring five oversized bedrooms, 6.5 bathrooms and well-portioned living spaces throughout for relaxation and entertaining. Built in 1988, this luxurious manor-style home is set within Grosse Pointe Farms on the highest point on Lake Shore Road. It is without doubt, a sophisticated, gently opulent and finely crafted jewel.

“It’s always an amazing transformation, and a testament to the talent and hard work of the designers who take this transformation on, said JLD President Kimberly Burke. “What we always keep in mind is that all these efforts support very important causes. This year our JLD projects benefit Brilliant Detroit and Alternatives For Girls. Both organizations are doing incredible work helping Detroit-area families and children and we are excited that we can help them achieve their life-changing missions by raising funds through events such as the Designers’ Show House,” Burke said.

The JLD Designers’ Show House season includes the Sneak-a-Peek weekend event July 13-15. The event offers a sneak peek at the home’s pre-renovated state before the grand reveal in which the setting is transformed by a curated slate of designers. Event hours are: 10 a.m. to 5 p.m. Friday, July 15; from 10 a.m. to 4 p.m. Saturday, July 16; and from 10 a.m. to 5 p.m. Sunday, July 17.

Information and tickets for Sneak-a-Peek are available at JLDetroit.org. Both Gala and public admission tickets to tour the 2022 Designers’ Show House will be available at JLDetroit.org beginning July 25.
